Introduction

Welcome to TiiFS Institute, the premier destination for aspiring interior designers in Navi Mumbai. At TiiFS, we believe that interior design is not just about creating beautiful spaces; it's about crafting immersive environments that inspire, captivate, and transform lives.

With a legacy of excellence and innovation, TiiFS offers a comprehensive curriculum designed to empower our students with the knowledge, skills, and creative vision needed to thrive in the dynamic field of interior design. Our experienced faculty members, industry-leading facilities, and hands-on approach ensure that every student receives a holistic education that fosters both artistic expression and practical expertise.

Whether you're passionate about residential, commercial, or institutional design, TiiFS provides a supportive and collaborative environment where your creativity can flourish. Join us on a journey of discovery, where your imagination knows no bounds, and together, let's redefine the art of interior design

WHY CHOOSE TiiFS?

Comprehensive Curriculum:

TiiFS offers a comprehensive curriculum that blends theory with practical application. From foundational principles to advanced techniques, our courses are meticulously designed to equip students with the skills and knowledge needed to excel in the field of interior design.

Experienced Faculty:

Our faculty members are not just educators; they are industry experts with years of experience in interior design. They bring real-world insights and perspectives into the classroom, enriching the learning experience and preparing students for the challenges of the industry.

Industry-Relevant Skills:

At TiiFS, we prioritize the development of skills that are in high demand in the industry. Through hands-on projects, internships, and industry collaborations, students gain practical experience and build a portfolio that showcases their talents to prospective employers.

State-of-the-Art Facilities:

From design studios to computer labs equipped with the latest software, TiiFS provides students with access to state-of-the-art facilities that facilitate creativity and innovation.

Placement Assistance:

TiiFS has a dedicated placement cell that works tirelessly to connect students with employment opportunities in leading design firms, architecture studios, and corporate organizations. Our strong industry connections ensure that our graduates are well-positioned for success in the job market.

Supportive Community:

At TiiFS, students become part of a supportive and vibrant community of like-minded individuals who share a passion for design. Through collaborative projects, workshops, and extracurricular activities, students forge lifelong connections and friendships.

“

Name: Rohan Sharma**Program: Bachelor of Interior Design**

The program not only focused on design principles but also equipped us with the latest 3D rendering and virtual reality software. These skills allowed me to create incredibly realistic presentations for my clients, which has been a major selling point in securing projects.
